

MU Australia Conference - Darwin July 2014.

The first ever MU Australia Conference was held in Darwin in July 2014.

Over 70 people attended from Brisbane, North Queensland, Riverina and Bunbury Dioceses as well as almost all the members of the Darwin branch who did an amazing job in putting the conference together.

There were also 10 indigenous observers from one of the communities. We hope and pray that before long some of them will become MU members and will have a branch at Numbulwar.

The Numbulwar ladies sang. Their stories and their faith were inspirational. They are going to be a great asset to MU. Australian Provincial President, Libbie Crossman asks: "Please pray for them as they embark on this journey to membership."
