**LET US BECOME BUSY BEES**

---

Greetings and welcome to Spring and my first official Newsletter.

So much has been going on behind the scenes following the changes made at Australian Council last year. Such an exciting and busy time for me. I have always loved bees. As small creatures they have an important role in our world. There are many different types of bees, who all play a special part in the life of their “bee family”.

Wonderful things are being done and achieved as members of AMUA.

However, we need to be seen more as the “workers” within our Church and the community, by helping families to show them the *sweetness* of God’s love and care for one another!

I am not an expert but if we can share our thoughts and ideas, what is working, what hasn’t done so well, then over time much can be achieved.

***THE GOAL AND CHALLENGE OVER THE NEXT YEAR!***

“To create a greater awareness of the work of AMUA not only within our Church but to the broader community” through promotion.

Under a separate email will send a copy of my presentation given at the 125<sup>th</sup> Anniversary Conference in Tasmania.

What is important is we need to stay relevant, and to achieve this we need to be adaptable to change; with this comes challenge!

As Lynne Tembey our Worldwide President said, what worked 40 years ago, does not necessarily work now. We also need to “think globally, act locally”.

*2 Corinthians 2:14 “Thanks be to God who always leads us and through Jesus his son; and manifests through us the love and knowledge of him in every place”*

## **PROMOTION and DEVELOPMENT**

### **PULL-UP BANNER**

My travelling pull-up banner

Dioceses or branches wishing to organize a pull-up banner with the new name and logo, like the one in Tasmania.

The size was 600mm x 1500mm, available for \$85 through Officeworks.

It was ready within 48 hours. Online ordering is available.

I have the artwork as a PDF – however if you wish to add your Diocesan name along the bottom panel, then you need to organize this yourself with the graphic artist, who needs to create and send you a PDF.

This addition will cost approx \$18.50.

Please contact: Michael Vogrig, rmi print – 7 Larobe St, Warragul, Vic.

### **NEW PROMOTIONAL BROCHURE**

The graphic artist has undertaken changes. The brochure needs to now go through our Australian President as well as the Publication Dept before we organize the final printing for distribution.

### **INVITATIONS**

If at all possible, would **bee** very happy to come and visit your Diocese, please do not hesitate to contact me to discuss this option.

During my term I look forward in meeting many members, and hopefully can make a difference!

I am up for the challenge – are you!

The best way to start promotion is to wear your badge!

In Christian love and friendship

Denise
